Subject: FW: Stibnite Mine ASAO and SOW

Cyndy - at the request of the Nez Perce Tribe, the Forest Service will not participate in today's EPA-Tribe consultation. Instead, the Forest Service and the Tribe will hold a separate consultation this Thursday at 1:00 p.m. Eastern.

Also, please note that Stephen Vaden is no longer at USDA. Could you please ensure that I am included in the email exchanges among EPA, DOJ and USDA to ensure that I am able to keep USDA management officials updated on the ASAO in a timely manner. Thanks.

Subject: Stibnite Mine ASAO and SOW

Dear Director Byrne,

After consideration of comments on the December 11, drafts, the federal agencies have revised the Administrative Agreement and Order on Consent (ASAO) and the Statement of Work (SOW) for implementing phased removal actions at the Stibnite Mining District. Those revised documents are attached.

Please let us know by Wednesday if you have any questions.

Thank you for your assistance with this important project.

Sincerely,

Susan Parker Bodine
Assistant Administrator
Office of Enforcement and Compliance Assurance

Peter C. Wright
Assistant Administrator
Office of Land and Emergency Management
